Community Street Crime Unit

Supervisor: Detective Sergeant James BLAIR

The Grey Bruce CSCU had a very busy January. We welcomed back Acting Detective Sergeant Jeff DUDLEY who came from OPP Intelligence to lead the team as Sergeant Jamie BLAIR was assigned to an investigation based on his expertise. Timing allowed for some culminations of investigations in Grey County and the Town of South Bruce Peninsula in January and February.

A firearms and stolen property investigation concluded. CSCU partnerships paid off when West TRU, West ERT, Wellington CSCU, Huron/Perth CSCU, Oxford/Brant CSCU and Grey Bruce CSCU attended Chatsworth to execute a High Risk Warrant at a large rural property. Police executed the search warrant and recovered two firearms along with numerous firearm parts and ammunition, a large quantity of drugs including fentanyl, methamphetamine and prescription pills, as well as a stolen 2018 Mahindra UTV. The total value of the seized property is valued at \$19,737.00 while the value of the seized drugs is an estimated at \$5779.00. As a result, a Chatsworth male and female have been charged with numerous offences and Grey Bruce Child and Family Services were engaged due to deplorable living conditions for the children in the home.

CSCU initiated new drug investigations. Additionally, the unit made efforts to arrest a male who was wanted on numerous violent domestic charges and deeply entrenched in drug subculture. The male has been a source of numerous calls for service and was successfully arrested.

CSCU was assigned to assist with local staffing needs due to the ongoing Freedom Convoy protest. CSCU members were deployed to Windsor to assist with the opening of the Ambassador Bridge and maintaining public safety in the area. CSCU members also assisted with operation needs and worked frontline for a period of two weeks.

CSCU attended an address and recovered 3 stolen vehicles valued at \$150,000. CSCU also located a small quantity of drugs, ammunition and stolen property. One person has been charged with several offences related to possession of property obtained by crime over \$5000. CSCU is working with other Municipal Policing Partners and other CSCU teams to lay charges and arrest those responsible to property crimes in the area.

There was also a successful RIDE enforcement by front line officers where a loaded prohibited assault rifle was seized. CSCU assisted with a search warrant for the vehicle as one of the charged individuals was previously charged with fentanyl trafficking. A small amount of fentanyl, large amount of cannabis, various dangerous weapons and \$920 were recovered in addition to the firearm.

The CSCU also unfortunately investigated a drug overdose death. As a result of the death, police are engaged in the ensuing fentanyl trafficking investigation. A week after the overdose police executed a search warrant at a suspected fentanyl dealer's residence and

recovered cocaine, methamphetamine, trace fentanyl, packaging material, digital scales, and drug paraphernalia worth approximately 1,685.00. Two males are facing charges in this regard. Police cannot say at this time if the overdose and the arrest were linked.

A/DS DUDLEY's extensive networking and experience in intelligence led to liaising with outside Intelligence agencies to gather additional information on the flow of Fentanyl into Grey Bruce. Given recent loss of life in Grey Bruce to the opioid epidemic, the CSCU are focusing heavily on identifying and charging individuals responsible for bringing the drugs into the county.

MEMORANDUM TO: All Chiefs of Police and
Commissioner Thomas Carrique, Chairs, Police Services Boards

FROM: Richard Stubbings
Assistant Deputy Minister
Public Safety Division

SUBJECT: **Amendments to the *Police Record Checks Reform Act, 2015***

DATE OF ISSUE:	January 18, 2022
CLASSIFICATION:	General Information
RETENTION:	Indefinite
INDEX NO.:	22-0005
PRIORITY:	Normal

I am writing to provide an update on [Bill 13 - Supporting People and Businesses Act, 2021](#), which included proposed amendments under the [Police Record Checks Reform Act, 2015](#) (PRCRA) intended to reduce barriers for volunteers.

On December 2, 2021, Bill 13 received Royal Assent. The proposed changes to the PRCRA, under Schedule 20, are targeted to be brought into force in Spring 2022, on a day to be named by proclamation of the Lieutenant Governor. Once approved, we will ensure that you are notified of this in-force date.

The amendments to the PRCRA include an established definition of “volunteer” to clarify the eligibility for supports under the PRCRA. Under the amendment, a “volunteer” means a person who performs a service but who receives no compensation for doing so other than an allowance for expenses or an honorarium and excludes a person receiving some other form of credit such as academic credit or fulfilling a sentence requirement.

Additionally, these amendments would require police services to conduct and provide the results of Criminal Record Checks and Criminal Record and Judicial Matters Checks for volunteers at no charge and provide up to five free copies of the results, if requested at the time of the initial request. Finally, these amendments expand the Lieutenant Governor in Council’s regulation-making authority to prescribe requirements for how police services will conduct police record checks for volunteers and how long a police record check for a volunteer for a prescribed purpose could be relied upon.

The ministry will continue to engage with policing partners regarding the implementation of these amendments, as well as the future development of any applicable regulations.

We appreciate your feedback and support in preparing to operationalize these amendments. If you have any questions or concerns, please contact Melissa Kittmer, Director, Community Safety and Animal Welfare Policy by phone 416-528-5950 or email Melissa.Kittmer@ontario.ca

Thank you for your continued cooperation and attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Stubbings". The signature is fluid and cursive, with the first name "R." and the last name "Stubbings" clearly distinguishable.

Keeping Ahead Of Crime... ...One Call At A Time

January is Crime Stoppers month and this provides an opportunity for the community to see how it works and why it has succeeded over 32 years.

Crime Stoppers is a community based program that uses the resources of the media, police and members of the public to solve crimes. It is clearly an organization that exists to improve and maintain the quality of life we have come to expect in our communities.

The benefits received by the 17 municipalities of Bruce and Grey counties from this program have been enormous and far-reaching. From 2017 to 2021 information received from the public resulted in 138 arrests, 518 charges being laid, and the recovery of over \$630,000 worth of property and cash. In addition anonymous tips have cleared the streets of over \$1,500,000 worth of illicit drugs.

It has long been understood that the basics of a properly running society fulfills the physical needs of food, water, shelter and safety. All else we do in

society is built upon these four foundational needs being assured and maintained. Many in society suffer from a lack of one or more of these needs but the safety of the community is the foundation on which all else is sustained. Of course the existence of laws, and those who enforce them, are a large part of a community feeling safe.

Filling An Information Gap

The fundamental need of law enforcement personnel is a constant flow of information from those same people they are sworn to protect. Human nature involves a wide-array of motivations and one such motivator is rewarding those who help. The Crime Stoppers organization is specifically designed to keep law enforcement supplied with information

that helps give them direction on crimes that need to be resolved. The Crime Stoppers program also fills the needs of those individuals who want to help but who wish not to become involved in the prosecutorial process. A certain win/win situation for all concerned.

As an encouragement for the public to call the Crime Stoppers program does not subscribe to Call Display, does not have *69 capability, and does not voice record tip conversations. The program encourages people to call a toll-free phone number or submit a secure web tip through a P3 App, available for smart phones, with information about any crimes that have occurred or are about to be committed.

Information provided by the public is forwarded, anonymously, to law enforcement personnel who use it to further an investigation which may lead to an arrest, recovery of stolen property or result in charges being laid.

Crime Stoppers of Grey Bruce is not a police program nor is it a government supported organization. The office phones and computer systems are located at a non-police facility and police do not have direct access to it. Crime Stoppers is run by concerned citizens who make up the core group of volunteers and their Board of Directors. It is the Board's duty to administer the program, raise funds, and manage the payment of rewards to Tipsters.

Keeping Ahead Of The Curve

Crime Stoppers of Grey Bruce supplies a unique window on the community and has provided a real-time platform of changing crime patterns as they evolve. This is evident with initiatives instituted with the advent of COVID-19. Crime Stoppers reached out to local police and other agencies and supplied

an anonymous tip line that could relieve local 9-1-1 dispatchers while still passing along information about violations. New trends in drugs such as Fentanyl, and its trafficking processes, can be quickly discovered through anonymous tips. The scourge of human trafficking is like a malignant growth in a community and one that can be quickly addressed through Crime Stoppers Tipsters while illegal tobacco sales and distribution to minors is a community concern on many levels.

A report released on November 3, 2021, by the Canadian Race Relations Foundation concluded that, "this country may now be at an important juncture, and the next two years might well prove to be a critical period of reckoning for race relations in Canada."

In response Crime Stoppers of Grey Bruce is establishing a unique promotion and advertising campaign called "Hate is Not Anonymous" - but your call is. Directed toward the elimination of hate and racism in communities, citizens can now anonymously report information about racism or hate-based groups or individuals.

"When someone spreads hate, they may do it from the shadows but do not wish to be anonymous regarding the targets of their hatred," says Peter Reid, Chair of the Board of Directors for Crime Stoppers of Grey Bruce. "Their intent is to dehumanize an individual or group and to sway the opinions of oth-

Betty Egerdeen was recognized for her tireless efforts as both a volunteer and Board member of the Crime Stoppers of Grey Bruce program. Betty joined the organization in 2002 and immediately adopted a keen interest in the fundraising and promotional aspects of the program. Known as a real “go getter” Betty involved herself

heavily in the annual charity golf tournament. Over her 17 years of service she attended countless fall fairs, flea markets, community events, council meetings and information sessions. She spoke with and educated many members of police agencies across two counties in order to promote and spread the word of the importance of the Crime Stoppers concept.

“Betty has gone beyond that which is expected of a volunteer,” said current Board Chair Peter Reid. “Her passion and enthusiasm can only be matched by her ingenuity and inspiration for others.”

Evan Hayter was recognized for his conceptual idea and follow-up enthusiasm for the annual charity golf tournament of which Crime Stoppers of Grey Bruce have been the benefactors for over 20 years. The event, which features many current and former hockey personalities, has since raised

over half a million dollars for Crime Stoppers.

The charity golf tournament was initially started when Evan was the recently retired president of For-

mosa Breweries. He has been a main force and inspiration for the tournament and in concert with Vern Inglis of Trillium Insurance has been successful in attracting such hockey greats as Eddie Shack, Bobby Hull, Pete Mahovlich, Wendell Clark and Doug Gilmour and Brian Williams to name but a few.

“Evan Hayter’s unwavering support with organizing 27 successful golf tournaments has helped keep our local Crime Stoppers alive and well,” said Board Chair Peter Reid. “The income drawn from this one annual event has fully provided a third of our annual operating expenses.”

The awards for Evan and Betty were announced at the annual meeting of Ontario Crime Stoppers on August 27th.

“This is a great honour for our local Crime Stoppers organization to have two volunteers recognized in a single year,” said Reid. “By definition volunteers are persons who do things that they really do not have to do. Our area is blessed with a lot of people who epitomize this notion. Betty and Evan are two fine examples for others to emulate.”

Crime Stoppers of Grey Bruce is giving citizens the opportunity to eliminate hate and racism in their communities and is instituting a promotional campaign across the twin counties encouraging witnesses to anonymously call in information about racism or hate-based groups or individuals.

"When someone spreads hate, they may do it from the shadows but don't wish to be anonymous regarding the targets of their hatred," says Peter Reid, Chair of the Board of Directors for Crime Stoppers of Grey Bruce. "Their intent is to dehumanize an individual or group and to sway the opinions of others. The more they pass along this hate the less anonymous they become. Sometimes all it takes is one anonymous tip to shine a light and put an end to it."

A report released on November 3, 2021, by the Canadian Race Relations Foundation concluded that, "this country may now be at an important juncture, and the next two years might well prove to be a critical period of reckoning," for race relations in Canada.

To report this activity, without being publicly identified, Crime Stoppers offers you the opportunity to make a difference. By calling Crime Stoppers your identity is secure and confidential and the information passed along will be forwarded to the appropriate law enforcement agency for follow-up. Crime Stoppers will even pay you a cash reward if it leads to an arrest.

If you have been victimized by a hate crime or

have witnessed a hate crime we encourage you to do the following:

- If you feel threatened physically call police emergency at 9-1-1.
- If you witnessed the incident and have information regarding the perpetrator, call 9-1-1.
- The Crime Stoppers option - If you wish to report information that may lead to an arrest, but wish to remain anonymous, call Crime Stoppers at 1-800-222-TIPS (8477) .

Your identity will be kept completely confidential and the information supplied handed over to the appropriate law enforcement agency. You can also report using our P3 App on your mobile device or via our website cstip.ca

Crime Stoppers of Grey Bruce are seeking funding for this pilot program and your support sends a strong message that there is no room for racism and hatred in your community.

The incidence of human trafficking is widely believed to be under-reported. However, this is what the data tells us:

- In 2019, there were 511 cases in Canada reported to the police (where trafficking was the most serious violation)
- According to the RCMP's Human Trafficking National Coordination Centre, over 96% of identified cases in Canada since 2005 were domestic (not international) trafficking cases
- Between 2009 and 2016, two thirds (66%) of cases in Canada were reported in Ontario

Trafficking cases are more often reported to police in urban areas, with almost half of all trafficking cases between 2009 and 2016 being reported in the census metropolitan areas of Toronto, Ottawa, and Montreal

- Between 2009 and 2016, the majority (95%) of victims/survivors in cases reported to police were female
- Between 2009 and 2016, over a quarter (27%) of victims/survivors in cases reported to police were under the age of 18

It's important to note that service agencies provide higher estimates than police-collected data. For comparison, in a study of sex trafficking of women and girls, 266 service agencies across the country collectively identified over 5,500 trafficked or sexually exploited girls (under 18 years of age) seeking service and supports in 2012 alone.

The paintings include a watercolour by artist Dorothy Knowles titled "May Green"; two pieces from a three piece set titled "Entwined," by artist Laurie De Camillis; an oil painting by artist Jean Paul Riopelle consisting of three individual paintings framed into one with a cracked left hand panel; and an oil painting with a very old frame titled "AC-78-57," by artist William Perehudoff.

Also stolen was an Opus Connect E-500 electric bike equipped with saddle bags and a beverage holder; a stainless steel bar fridge; 55" and 40" Samsung TVs; and a Rocky Mountain Whistler bike.

Trailer Theft in Hepworth

On November 12, 2021 at 12:30 p.m. three unknown suspects attended a residence on Spencer Street in Hepworth and stole a Puma travel trailer. The suspects departed in two vehicles with the trailer in tow behind a white pickup truck with what is believed to be a forged “U-Haul” sign stuck to the door on the side; and a silver vehicle believed to be a Subaru.

Lumber Theft in Eldersley

Sometime between 1:00 a.m. and 2:00 a.m. on December 27, 2021 a quantity of lumber, valued at \$1,000, was taken from a property in the 3000 block of Bruce Road 3 in Elderslie Township.

A white pickup truck with a ladder on top is a vehicle of interest in this investigation, and is as pictured:

Kincardine Break & Enter

On November 24, 2021 at 11:13 p.m. police received a report of a break and enter in progress at a property along Carloway Trail in Kincardine. Officers arrived to find that the home had been forcibly entered and a spool of electrical wire, valued at \$500, had been stolen.

Crime Stoppers Month January 2022

On behalf of the Royal Canadian Mounted Police (RCMP), I would like to express our continued support for the more than 80 Crime Stoppers organizations in Canada.

January is recognized as National Crime Stoppers month and we are happy that Crime Stoppers has chosen "Stopping the Crime of Human Trafficking" as its theme for 2022.

Through threats, extortion, fraud and force, criminals have shown their persistent drive to make money at the expense of so many victims. Those caught in the web of exploitation may not always be able to fight their way free.

Crime Stoppers remains a valuable tool in safeguarding public safety by assisting police by reporting threats and crimes anonymously. By providing tips, the public displays they are taking responsibility for community safety, health and wellness.

The RCMP enthusiastically supports this year's theme, which reinforces the need for the whole of Canada to come together and combat criminal efforts seeking to take advantage of the marginalized and vulnerable.

I wish you continued success in "Stopping the Crime of Human Trafficking."

ONTARIO ASSOCIATION OF CRIME STOPPERS**Re: Crime Stoppers Month**

On behalf of all members of the Ontario Provincial Police (OPP), it gives me great pleasure to acknowledge and support Crime Stoppers Month.

I commend the efforts of all Ontario Association of Crime Stoppers members, volunteers and supporters who have contributed thousands of hours of volunteer time and financial support to the ongoing success of the 37 Ontario Crime Stoppers programs. The OPP remains committed to Crime Stoppers through the support of our Community Safety Services team, and our many civilian and uniform members who work directly with their local programs.

This year's theme, "Stop the Crime of Human Trafficking," is more than a call to action. It is an opportunity for programs across Canada to increase awareness of this devastating crime that targets people from all backgrounds.

The existence of criminal activity, such as human trafficking, within our communities is a shared concern. Crime Stoppers assists police services in reaching a wider audience – something we are not able to do alone. Together, we are helping increase community safety and well-being across Ontario and Canada.

Once again, I commend Crime Stoppers for the outstanding work being done throughout the province. Please accept my best wishes for a successful month of activities as well as continued success in 2022.

Yours truly,

The Corporation of the Township of Southgate

Police Service Board

By-law Number 2022-01

Being a by-law to impose fees for services provided by the Ontario Provincial Police, Grey County Detachment on behalf of the Corporation of the Township of Southgate Police Services Board relating to the reduction of false security alarms

Whereas pursuant to Section 391 of the Municipal Act, 2001, as amended, (the Act), a municipality and a local board may pass by-laws imposing fees or charges on any class of persons for service or activities provided or done by or on behalf of it pursuant to Section 391 of the Act, and

Whereas Section 398(2) of the Act, provides for the addition of fees and charges imposed by the municipality or local board, respectively, to the tax roll for the following property in the local municipality and to collect them in the same manner as municipal taxes: and property for which all the owns are responsible for paying the fees and charges; and

Whereas Section 345 of the Act authorizes the Council of a local municipality to establish: penalty and interest charges, notice as to time and notice of payment, payment of installments and options; and

Whereas the number of false alarms in the Township of Southgate, hereinafter referred to as the Township, has been identified as consuming a significant quantity of OPP resources, which could be better directed to enhancing police presence in the community through the reduction of false alarms; and

Whereas response to these false alarms interferes with the ability of the OPP to respond to actual emergencies, posing a threat to officer safety and members of the public by creating unnecessary delays; and

Whereas Police Service Boards and Municipalities across Ontario are seeking to address false alarms and decrease related calls for service; and

Whereas the Township of Southgate Police Service Board deems it expedient to pass a by-law relating to the reduction of false security alarms and to impose fees for services provided by the OPP,

Now Therefore Be it Resolved That the Corporation of the Township of Southgate Police Service Board hereby enacts as follows:

1. Definitions

"Alarm Device" means any device or series of devices installed on real property and designed to detect criminal activity or unauthorized entry or emergency which when activated, emits or transmits a local or remote audible, visual or electronic signal intended to alert the "alarm system owner", summon the police service, whether monitored by an "Alarm Business" or not. This definition does not include an alarm installed in a vehicle or on a person unless the vehicle or personal alarm is permanently located at the premises.

- 1.4. "Alarm System Owner" means the owner, occupant or lessee of a building, structure or premise that has a security alarm system or the lessee of a security alarm system.
- 1.5. "Board" shall mean the Township of Southgate Police Service Board.
- 1.6. "False Alarm" means any signal from a security alarm system that is reported to the police service, resulting in a false dispatch that is caused by:

 - b) alarms caused by the negligence or carelessness of the Alarm Business, the Alarm System Owner or alarm user;
 - c) alarms activated due to mechanical failure or improper installation; and/or
 - d) alarms activated by internal or external atmospheric conditions, vibrations, or power surges.
- 1.7. "Police Service" shall mean the Ontario Provincial Police (OPP), of the Police Service specifically contracted by the Township of Southgate to provide Policing Services.

 - \$50.00 for the first; and
 - \$100.00 for the second within twelve months of the first; and
 - \$200.00 for the third within twelve months of the first; and
 - Fourth and subsequent false alarms within a twelve-month period of the first shall require a notice, including a written report from the OPP concerning the incident, to be mailed by regular mail to the alarm holder and the registered title owner of the property at least 15 days before the Board meets to determine the issue. The alarm holder or the registered title owner, or a duly appointed agent, shall be entitled to address the Board in writing or in person at the meeting. If the alarm holder or the registered title owner is unable to satisfy the Board that a false alarm did not occur, the Board shall proceed to impose a fee in the amount of \$300.00 for the fourth false alarm within twelve months. The fee shall increase by \$100.00 per incident for the fifth and subsequent false alarm within twelve months of the first at fault alarm. If the alarm holder or the registered owner does not appear at the meeting, the Board may proceed in their absence.
- 2.2. An Alarm shall not be classified as a False Alarm, if, within forty-eight (48) hours of the police service response, the Alarm System Owner or an Alarm Business furnishes evidence to the police service that the Alarm was caused by:
 - a) an unauthorized entry or attempted unauthorized entry into the building, structure or facility;
 - b) an extraordinary circumstance as determined by the police service Detachment Commander.

3. Collection of False Alarm Fees

- 3.1. The police service shall provide Township of Southgate Finance staff with the required information within 15 days of the end of a calendar month, regarding False Alarm occurrences in the preceding month for invoicing and collection purposes. - 5.2. The prescribed appeal fee is included in the Township of Southgate Fees and Charges By-law. The fee is refundable upon success of a submitted appeal.
- 5.3. The Board shall review the appeal within sixty (60) days after the appeal is filed.
- 5.4. The Board shall decide upon affirmation or the reversal of the assessment of the fees.
- 5.5. The decision by the Board shall be final and conclusive for all purposes.
- 5.6. Upon conclusion the Board shall notify the Alarm System Owner and the Township of Southgate in writing of the decision.

6. Severability

- 6.1. Each and every one of the foregoing provisions of this by-law is severable and if any provisions of this by-law should, for any reason, be declared invalid by any court, it is the intention and desire of this council that each and every one of the then remaining provisions shall remain in full force and effect.
